Summary of Legislation: This bill creates the Interim Study Committee on Restructuring the Family and Social Services Administration (FSSA). The bill requires the Committee to develop a plan to reorganize the Office of the Secretary of the FSSA and issue a final report. (The introduced version of this bill was prepared by the Joint Commission on Medicaid Oversight.)

Effective Date: July 1, 2002.

Explanation of State Expenditures: This bill creates an interim study committee to be operated under the policies governing study committees adopted by the Legislative Council. Legislative Council Resolution 01-3 established the budgets of interim study committees at \$9,000 for the 2001 interim. Assuming the Legislative Council continues with this policy, interim study committees will be allocated \$9,000 for the 2002 interim.

This also assumes the Committee will have fewer than 16 members. Committees with 16 or more members are allocated \$18,500.
